

At the Catholic Leadership Centre, we believe that transformation in the Church and society begins with ongoing conversion of each leader across 3 leadership domains: **Self**, **Relational** and **Organisational** Leadership. If you are just starting on your Catholic leadership journey, we recommend that you begin with Self Leadership courses. If you are a leader of a community in the context of a Parish or an Archdiocesan Organisation, you may want to move on to Relational Leadership courses, and finally Organisational Leadership courses, if applicable.
