The ELISHA leadership journey is a foundational formation journey designed for new and emerging Catholic Leaders, focusing on self, relational and organisational leadership.

This six-month journey begins with a Day of Recollection, where participants come together as a community of leaders to reflect on their relationship with God, share their hopes, and commit to the journey ahead. Through a series of formation courses and a retreat, participants learn to lead like Jesus, reflect on inner wounds and healing, cultivate listening and facilitation skills, build trust, and discern their unique charisms. The journey concludes with a Milestone Day, celebrating the graces received, followed by a Follow-Up Gathering to reconnect and be renewed in faith and fellowship.
